which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. Go to www.hydroforce.com/msds for additional safety, regulatory and liability information.

DIRECTIONS:

Grout and Tile restoration:

Dilute 4 to 6 ounces (2 to 3 scoops) Viper Venom Powder with 1 gallon hot water. Low

VIPER VENOM POWDER is used as a pre-treatment spray on grout and tile to loosen and emulsify soils and stains, and to facilitate soil removal using the SX-15 Grout and Tile Tool. Viper Venom Powder is also effective for general floor cleaning and upkeep, wall cleaning, and other general hard surface cleaning. Viper Venom Powder, with its hard-hitting blend of builders, solvents, and surfactants, is also ideally suited for fire restoration.

SAFETY INFORMATION

CAUTION: Keep out of reach of children. Always test in an inconspicuous area. May cause skin and eye irritation. Avoid contact with skin and eyes. Wear eye protection and gloves when mixing and cleaning by hand. Wash thoroughly after handling.

FIRST AID: In case of skin or eye contact, immediately flush

Grout and tile maintenance:

Dilute 1 ounce of Viper Venom Powder with 1 gallon hot water. General cleaning and walls: Dilute 1/2 ounce of Viper Venom Powder with 1 gallon hot water. Dilute 1 ounce of Viper Venom Powder with 1 gallon of hot water for woodwork, porcelain and chrome.

pressure spray or mop onto grout and tile and allow to dwell for 5 minutes. Do not allow to dry before cleaning/extracting.
